Restoring Hope. Reclaiming Lives

AUSTRALIA, FIJI, NEW ZEALAND

For I will pour water on the thirsty land, and streams on the dry ground; I will pour my Spirit upon your offspring, and my blessing on your descendants. Isaiah 44:3

CHURCH OF GOD
WORLD
MISSIONS

THE MISSION

Oceania is comprised of fourteen countries and is located throughout the Central and South Pacific Ocean. This geographical area is a vast and diverse region surrounded by the world's largest body of water. While this vast region of the world is known for its beauty, natural resources, and the large body of water that divides it, there are substantial needs in the areas of Australia, Fiji, and New Zealand. Through YWEA 2024, Church of God Youth and Discipleship, in partnership with Church of God World Missions, has developed a plan to provide this region with eternal Living Water that will have a multi-generational impact to reach the Last, the Least, and the Lost.

AUSTRALIA

Unfortunately, the land down under has seen a major decline in professed Christianity in recent years. For the first time ever, the population of Christians has dropped below the 50% mark. This has resulted in church doors being closed, buildings being sold, and the Gospel being preached less. Thankfully, YWEA 2024 has developed an aggressive plan to open the doors of a thriving church. The Church of God will plant a church in the heart of Sydney, Australia near Sydney University. With more than two million people living in Sydney claiming no religious affiliation, the stage has been set and ready for the Church of God to step onto the scene! We will passionately pursue an emerging generation of Australians for God's glory and rewrite the narrative for Australia through church planting. This location will become a church planting hub!

NEW ZEALAND

New Zealand is facing a major epidemic of suicide in its teenage and young adult population that is crippling future generations. Every year, more New Zealanders die by their own hands than in automobile crashes. Tragically, New Zealand has one of the highest adolescent suicide rates in the entire world. This seemingly hopeless crisis is due to various factors, including cultural identity, mental illness, family violence, child abuse, poverty, and more. While this epidemic is a heart-wrenching problem, Church of God Youth and Discipleship is committed to finding a solution. Within the southern island of New Zealand, YWEA 2024 will establish a Church of God Crisis Care and Ministry Training Center in Papakaio, New Zealand. The Care Center will be staffed with leaders who are properly trained in counseling and who will hear the cries of a generation, offering them a blessed hope. Also, leaders will make a kingdom investment through biblical training in the lives of our spiritual sons and daughters in New Zealand. Ultimately, the training center will raise up and equip evangelists, preachers, teachers, and others who will share the good news of Jesus Christ with New Zealanders who are longing for physical, spiritual, and mental health. Through your support of YWEA 2024, we will also be launching New Zealand Winterfest and have an expectation to see God save, deliver, and fill Church of God students in this region!

FIJI

The island of Fiji is filled with many opportunities to serve the needs of children and their families. Many children in Fiji face an uphill battle when it comes to education, food, proper care, and the most basic needs in life. The mortality rate in children under five years old is nearly 20%. Due to Fiji being a developing country, the most basic needs of life aren't readily available, specifically for less fortunate children. YWEA 2024 is teaming up with a former Fijian Rugby star, turned Church of God minister, who is making an eternal difference in the streets of Fiji. This project will revolve around meeting the daily and most basic life needs of Fijians. The Church of God will strengthen the benevolence ministry infrastructure of the Fijian COG and intentionally pursue poverty-stricken children as they navigate through the difficulties that life has brought them. YWEA will offer help, hope, and healing to a generation that so desperately needs God. We will also be supporting a Church of God Bible College that is raising up pastors and leaders to reach Fiji for the Kingdom.
